Map Milwaukee

CITY.MILWAUKEE.GOV/MAPMILWAUKEE

Scheduled Downtime

Map Milwaukee services and applications will be unavailable on **Friday, September 26, at 1 pm**, for approximately one hour, for routine maintenance.

GIS Services

In addition to map services used in Map Milwaukee applications, we also make numerous map services available to internet users for use in Map Milwaukee applications and ArcGIS Desktop. Check out the Services page in the Map Milwaukee Portal for documentation and help using GIS services.

E-Notify

Receive this newsletter, along with other e-mail announcements about Map Milwaukee by signing up for the City of Milwaukee's E-Notify service.
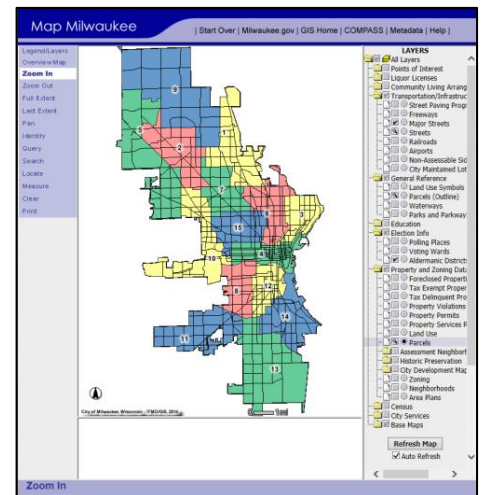

September News

Thank you for feedback on our recent survey regarding the reference maps used in Map Milwaukee applications. We will incorporate the survey results into improvements we make in the coming months.

"Old" Map Milwaukee – Layers Scheduled for Removal

The following layers will be removed from "Old" Map Milwaukee the week of October 27, 2014:

- Liquor licenses
- Liquor license buffers (ordinance 051177)
- Foreclosed properties
- Tax exempt properties
- Tax delinquent properties

Liquor license points and liquor license buffers can now be added to the new Map Milwaukee applications by adding the **license** map service. Foreclosed, tax exempt, and tax delinquent properties can be found in the **parcels_mprop** map service.

Refer to the tip sheet, How to Add Map Services, for help adding map layers to any Map Milwaukee application.

If you have not yet done so, we encourage you to start using the new Map Milwaukee applications in place of "Old" Map Milwaukee as soon as possible. Here is a list of resources to help you make the transition:

- We have a Tip Sheet covering the basics of using the new Map Milwaukee applications.
- Information on the Map Layers panel (turn maps on and off, see the legend) can be found in the October, 2013 newsletter.
- We have created a Tip Sheet on adding maps as layers to any of the new Map Milwaukee applications.
